In order to gather public feedback for the 2025 Ridgetop Parks and Recreation Master Plan, we are inviting the community to attend a public workshop. During this event, we will discuss the different elements of the plan and this meeting is an opportunity for you to share your thoughts, feedback, and comments with us. We are excited to see you there and work together towards the future of our community!

Join us in our public workshops. All meetings will be advertised. We look forward to hearing from you!
